

## **Rhythmic Gymnastics Coach – Fulltime (100%)**

Straen Gymnastikk- og Turnforening (Stavanger, Norway) is looking for an experienced Rhythmic gymnastics coach, to ensure club and gymnast development in all levels and ages. This is a full-time, 100% position, we are looking to fill the position as soon as possible.

### **Coach commitment**

The coach is committed to coach in accordance with sport ethics, and the respect of gymnast development independently of age and level, and follow plans made by the head coach and follow the guidelines of the club made by the board.

### **Working hours**

The position requires availability primarily during afternoons and evenings, in alignment with the club's training and competition schedule. Flexibility is expected to accommodate events such as camps, competitions, and meetings.

### **Coach mission**

- Coach with the purpose to develop gymnasts (6–18 years) according to their goals and level
- Act and coach according to Straen's core values both in the gym, and competitions.
- Maintain necessary competence level to perform as a high-performance coach.

### **Coach tasks**

- Make, execute and follow-up training plans for parties and gymnasts whom you will be responsible for
- Choreographing routines, including finding and mixing music

- Administrative tasks following the role as a coach
- Participate in training camps, competitions, courses and meetings
- Co-operate with head coach and other coaches, and contribute to the overall development of club and club culture

### **Skills and qualifications**

- University degree education – either dance, ballet and/or sports science
- Long experience as RG-coach, judge, and/or gymnast can compensate lack of education
- Good written and oral English
- Team player with good co-operation skills
- Highly skilled in communications and learning techniques
- Engaged and a big heart for the sport
- Willingness to adapt to the club's core values
